

Dear Parents and Carers,

We wanted to get in touch with you to share the latest advice and information in relation to Coronavirus (COVID-19), as you may be aware that advice for people who have travelled from affected areas across the world is rapidly changing.

Travel to some areas of the world means that people, regardless of whether they are showing any symptoms, are being asked to call NHS 111 and stay indoors.

Travel to other parts of the world means that people are being asked to be vigilant of any signs or symptoms of a cough, fever or difficulty breathing. If this occurs, they should follow the advice to call NHS 111 and stay indoors.

It is likely that these areas will change, and you should therefore look at the following information to ensure that you have the most up to date advice:
