Release students to attend post-16 taster sessions

Providers can speak to our careers leader, _____, to discuss possible attendance at relevant events.

Our _____ set out the school's approach to allowing providers into school to speak to our pupils.

We will grant access requests that meet the following criteria:

All requests to attend the opportunities above will be considered.
Additional requests will be considered on a case-by-case basis depending upon the timing in the year.

We will refuse any access requests that do not support the aims of this policy:

Access to students must be balanced and so multiple requests from the same provider may be declined.
Accurate information must be presented to students by providers within an impartial context.

Once we have approved a provider, we will work with them to identify the best method for providing access to our pupils.

We will make the school hall, classrooms and private meeting rooms available to host discussions between providers and pupils. We will also make presentation equipment, such as projectors and televisions, available to providers.

Arrangements will be discussed in advance between our careers leader and a nominated member of the provider's team.

Providers are welcome to leave a copy of their prospectus and other relevant course literature with the _____ at the _____.

We are also happy to publicise events at local providers using the school noticeboards.

This policy statement was approved by the _____.

The next review will take place in February 2025
